MESSAGE

FROM AGRIBANK CHAIRMAN OF BOARD OF DIRECTORS

Ladies and gentlemen,

The year 2012 witnessed ongoing volatile world economy. In that context, Vietnam had to face with outside impacts, meanwhile mitigated the internal accumulative shortcomings. GDP growth reached over 5% which was still below the target set by the National Assembly. Inflation was kept at 6.81%; export turnover grew by more than 18%; foreign currency reserve reached a record high level, exchange rate was stable, Vietnam currency received more confidence. Though these were positive signals, the macro economy was still far from solid and fast growth, NPL ratio was high. All of the above affected Agribank business activities.

Thanks to the great concern from the Party, the State, the Government and the direct instruction from the State Bank of Vietnam, under the leadership of Agribank Party Committee, the Board of Directors, the Board of Management; with the efforts from and consensus among almost 40,000 employees

Agribank performance remained stable. Most business indicators met or exceeded the targets set. Total assets reached VND 600 trillion, equivalent to USD 29 billion; total fund resources reached over VND 550 trillion, increasing by 10% compared with 2011, fund mobilised from the population increased by nearly 30%; total loan portfolio was over VND 480 trillion, increasing by 8.2%; loans to agriculture and rural sector increased by more than 13% and accounted for almost 70% of the total loan portfolio. The business safety ratios were guaranteed, NPL ratio was put under control on a downward trend.

Aware of its social responsibility to the community, Agribank paid much attention to carrying out social and charity activities, having spent over VND 300 billion in sponsoring and granting social works like hospitals, medical centres, schools; supporting people affected by flood, granting savings books to the former young female volunteers, awarding scholarship to poor students across the country.

In 2012, the Agribank brand continued to be recorgnised through honorable awards achieved as: the only bank in "Top 10 Vietnam's Biggest Enterprises" (VNR 500), "ASEAN Typical Enterprise", "ASEAN Famous Brand"; "Achievements for the Cause of Poverty reduction and Hunger eradication".

Entering 2013, in the context that the world economy sees a slow recovery, national economy is at the initial stage of the restructuring process with many difficulties and following the orientation and instruction from the Party and the State, Agribank defines its core targets which are successfully carrying out the reform and restructuring of the organisation system, consolidating the corporate governance and the business performance, continuing to affirm the role of a State owned commercial bank in the monetary market and credit for "Tam Nong", paying attention to brand promotion and service development. In this regard, Agribank focuses its

resources and the strength of the entire system to effectively and synchronously put in place the solutions: first, focus on the restructuring of organisational structure, network and personnel; second, increase the sustainability in funds growth; third, improve credit quality and transit the loan structure towards a more agriculture and rural areas focused one; fourth, develop and consolidate the policy, procedure and regulation regarding governance; fifth, enhance the internal inspection and supervision and risk settlement; sixth, ensure the safety ratios as regulated by the State Bank and international standards; seventh, boost up foreign exchange business and international cooperation; eighth, strengthen brand and corporate culture.
